Minnesota's Transportation Conference, the largest transportation event in the state, explores the latest transportation innovations and provides attendees with the chance to network with other professionals.

Join over 900 colleagues and transportation professionals as we explore the latest topics and developments impacting Minnesota's transportation system. Participants include representatives from local governments, MnDOT, consulting engineer firms, contractors, suppliers, transit systems, the Metropolitan Council and academia – all sectors of the transportation community.

The conference features general sessions with engaging keynote speakers as well as many break-out sessions. Topics include:

- Autonomous Vehicle Technology
- Public Engagement
- Transportation Funding & Financing
- Bridge projects and latest developments
- Pavement topics
- Transit Projects
- Bike/Ped Planning
- Workforce Issues
- Maintenance
